Hi Chris,

You can use the names of the files as the document titles (minus the numbers at the front of the titles – I just included those to help them stay in order). I'm going to try resending this email as rich text, and see if that works better – please let me know if you continue to have trouble opening them.

These are all the North Las Vegas pretreatment program submittal documents for review. I hope the first 11 documents are described sufficiently by their titles (and the previous sentence explaining that they are all elements of the pretreatment program submittal for review, as required under 40 CFR 403.9(b)). If you need any more detail, please let me know.

Subject: RE: Public Notice on our NPDES Website

Hi Amelia – some of the attachments will not open, see error message below.

Also, in order to post a document, we'll need a document title and a description (a sentence or two) for each one – if a number of the documents are closely related, you may wish to combine them, i.e., "Exhibits" etc.

Thanks.

Subject: Public Notice on our NPDES Website

Hi,

I'd like to post North Las Vegas Pretreatment Program documents on our NPDES Public Notices website for Nevada. I hope the timeline works for you all. Here's the information requested for the posting:

- Title of request: North Las Vegas Pretreatment Program
- URLs to be updated: <https://www.epa.gov/npdes-permits/nevada-npdes-permits>
- Description of work: Post the Public Notice and North Las Vegas Pretreatment Program Submittal documents on this website
- Due Date: 06/11/18 COB
- Attachments, if applicable: 32 total [including public notice, "00 – Public Notice – North Las Vegas Pretreatment Program.doc" – not sure if you want this doc as a separate link, or can just print the verbiage on the website directly; I don't really have a preference], attached
- A cc to your supervisor ✓

Please let me know if you have any questions or need any other info.

Kind regards,

Amelia Whitson
